(Includes family members)

PDL Dock Reservation Minimum Reservation \$500.00 \$ _____

Total \$ _____

This is for the reservation of an appointed dock prior to construction and these funds can be used for the development and planning of the docks for ACPC at Alum Creek State Park. I understand that there will be an additional cost for the docks. The minimum reservation of \$500.00 is to reserve a dock based on the sign up date. If the ACPC cannot fulfill the intended goal, any funds remaining from the reservations will be prorated after all dock expenses, and then will be refunded to each party.

I fully understand the above terms:

ACPC Staff Member

Make Check Payable to Alum Creek Power Boat Club, LLC. and send application to membership chair:
